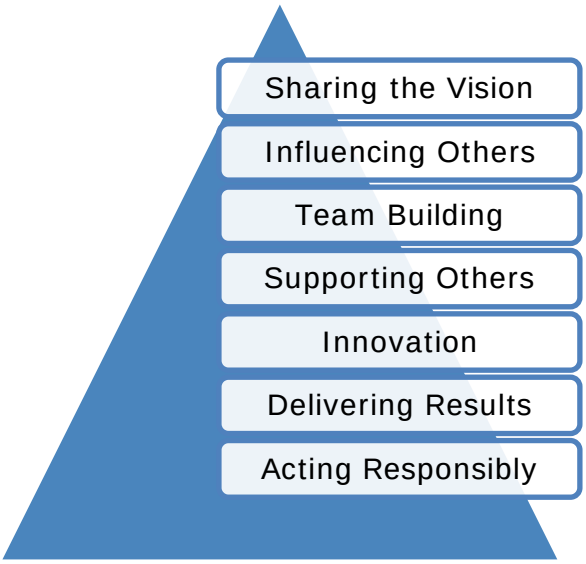
360 made easy!

OD-TOOLS Leadership CORE 360

Target group:

Managers and leaders at any level (anyone who manages direct reports or leads teams).

LC integrates the elements of the most influential leadership models: the Great Eight Competency Factors, Learning Agility, and the Six Emotional Leadership Styles into a unique blend of 28 behaviors organized into 7 leadership competency domains:



The behaviors included are easy to understand and observe. The result is a questionnaire that is easy to complete, yet provides valuable feedback.

Unique features:

✓ Comprehensive, yet it consists of only 28 Likert-type items – a very efficient leadership assessment.

✓ Facilitates specific written comments with additional open-ended questions.

✓ Report includes targeted development suggestions for the areas where development is most needed.

✓ The OD-Tools assessment platform makes it easy to administer.

Benefits:

✓ Short, yet comprehensive;
✓ Time-saving yet insightful;
✓ As effective and efficient as it gets.
